CORE COMPETENCIES

D&H Supplies LLC is a prime contractor and procurement specialist supplying government agencies, military branches, and public institutions with commercial products, industrial materials, IT equipment, and specialized technical systems. We leverage strong manufacturer relationships and end-to-end supply chain oversight.

- **Industrial & General Procurement:** Tools, hardware, commercial supplies, and MRO maintenance materials.
- **IT & Computer Hardware Wholesaling:** Computers, computer peripheral equipment, software, and electronic components.
- **Medical & Veterinary Supplies:** Surgical items, clinical consumables, specialized feeds, and hospital inventory.
- **Building & Construction Materials:** Commercial decking, specialty aluminum ceiling panels, architectural products, and structural hardware.
- **Industrial & Electrical Components:** Control relays, pumps, low-voltage control systems, and machinery components.
- **Specialized Technical Equipment:** Computer manufacturing, electronic equipment, optical gear, and field gear.

COMPANY DIFFERENTIATORS

- **Single-Point Procurement Efficiency:** Reduces vendor oversight by managing multi-vendor sourcing, inspection, and direct-to-site freight under a single contract.
- **Precision Technical Sourcing:** Expertise in complex RFQ/SOW interpretation, ensuring 100% compliance with technical specs, Berry Amendment, and Buy American Act requirements.
- **Agile Operational Execution:** Nimble corporate structure allowing rapid turnaround on quotes, RFQs, and tight delivery timelines.
- **Rigorous Quality Assurance:** Pre-shipment verification on all products to eliminate shipping errors and compliance discrepancies.
